Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site In-state published tuition and required fees for 2007-08 IN-STATE TUITION - The tuition charged by institutions to those students who meet the state's or institution's residency requirements. TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calender systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a

120-hour degree program) or less than 900 clock hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2023: Published in-state tuition and fees 2023-24

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site In-state published tuition and required fees for 2023-24 IN-STATE TUITION - The tuition charged by institutions to those students who meet the state's or institution's residency requirements. TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more clock hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 clock hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2009: Published in-state fees 2009-10 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2010: Published in-state fees 2010-11 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2011: Published in-state fees 2011-12 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2012: Published in-state fees 2012-13 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2013: Published in-state fees 2013-14 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2014: Published in-state fees 2014-15 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2015: Published in-state fees 2015-16 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2016: Published in-state fees 2016-17 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2017: Published in-state fees 2017-18 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2018: Published in-state fees 2018-19 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2019: Published in-state fees 2019-20 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2020: Published in-state fees 2020-21 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2021: Published in-state fees 2021-22 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2022: Published in-state fees 2022-23 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2023: Published in-state fees 2023-24 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for in-state students are not guaranteed. Tuition guarantee is a program where the institution guarantees, to entering first-time students, that tuition will not increase for the years they are enrolled. These guarantees are generally time-bound for four or five years.

2009: Published out-of-state fees 2006-07

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Out-of-state published required fees for 2006-07 OUT-OF-STATE REQUIRED FEES - The fees charged by institutions to those students who do not meet the institution's or state's residency requirements REQUIRED FEES - Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2004: Published out-of-state tuition and fees 2002-03

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Out-of-state published tuition and required fees for 2002-03 OUT-OF-STATE TUITION - The tuition charged by institutions to those students who do not meet the institution's or state's residency requirements TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2005: Published out-of-state tuition and fees 2003-04

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. 2012: Published out-of-state tuition and fees 2011-12

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Out-of-state published tuition and required fees for 2011-12 OUT-OF-STATE TUITION - The tuition charged by institutions to those students who do not meet the institution's or state's residency requirements TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2013: Published out-of-state tuition and fees 2012-13

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Out-of-state published tuition and required fees for 2012-13 OUT-OF-STATE TUITION - The tuition charged by institutions to those students who do not meet the institution's or state's residency requirements TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. 2005: Published out-of-state tuition and fees 2005-06

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Out-of-state published tuition and required fees for 2005-06 OUT-OF-STATE TUITION - The tuition charged by institutions to those students who do not meet the institution's or state's residency requirements TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2006: Published out-of-state tuition and fees 2006-07

Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more clock hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 clock hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2021: Published out-of-state tuition and fees 2021-22

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for

determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Out-of-state published tuition and required fees for 2021-22 OUT-OF-STATE TUITION - The tuition charged by institutions to those students who do not meet the institution's or state's residency requirements TUITION AND REQUIRED FEES - Tuition is the amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit. Required fees are fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay the charge is an exception. 2009: Published out-of-state fees 2009-10 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2010: Published out-of-state fees 2010-11 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2011: Published out-of-state fees 2011-12 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2012: Published out-of-state fees 2012-13 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2013: Published out-of-state fees 2013-14 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2014: Published out-of-state fees 2014-15 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2015: Published out-of-state fees 2015-16 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2016: Published out-of-state fees 2016-17 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2017: Published out-of-state fees 2017-18 guaranteed percent increase (if applicable)

The percent increase at which required fees are guaranteed for years students are enrolled. This variable will not have a percentage, if institution does not have tuition guarantee program, or insitution has a tuition guarantee program, but required fees for out-of-state students are not guaranteed.

2018: Published out-of-state fees 2018-19 guaranteed percent increase (if applicable)

2009: Books and supplies 2006-07

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Books and supplies for 2006-07 BOOKS AND SUPPLIES - The average cost of books and supplies for a typical student for an entire academic year (or program). Do not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at your institution UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2010: Books and supplies 2007-08

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Books and supplies for 2007-08 BOOKS AND SUPPLIES - The average cost of books and supplies for a typical student for an entire academic year (or program). Do not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at your institution UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. 2009: On campus, other expenses 2006-07

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site On-campus other expenses for 2006-07 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

2010: On campus, other expenses 2007-08

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site On-campus other expenses for 2007-08 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more clock hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a

120-hour degree program) or less than 900 clock hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time"

Definitions by release year

2009: Off campus (not with family), room and board 2006-07

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Off campus (not with family) room and board charges for 2006-07 ROOM CHARGES - The charges for an academic

year for rooming accommodations for a typical student sharing a room with one other student. BOARD CHARGES - The charge for an academic year for meals, for a specified number of meals per week. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2004: Off campus (not with family), room and board 2002-03

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Off campus (not with family) room and board charges for 2002-03 ROOM CHARGES - The charges for an academic year for rooming accommodations for a typical student sharing a room with one other student. BOARD CHARGES - The charge for an academic year for meals, for a specified number of meals per week. UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

Definitions by release year

2009: Off campus (not with family), other expenses 2006-07

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS College Navigator Web site Off-campus (not with family) other expenses for 2006-07 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic calendar Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2006: Off campus (not with family), other expenses 2004-05

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Off-campus (not with family) other expenses for 2004-05 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2004: Off campus (with family), other expenses 2003-04

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Off-campus (with family) other expenses for 2003-04 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). FIRST-YEAR STUDENT A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours. ACADEMIC YEAR - The period of time generally extending from September to June; usually equated to 2 semesters or trimesters, 3 quarters, or the period covered by a 4-1-4 plan. Also included are "Other Academic Calender Systems" which is a category used to describe "non-traditional" calendar systems at 4-year and 2-year degree-granting institutions. These can include schools that offer primarily on-line courses or "one course at a time".

2005: Off campus (with family), other expenses 2004-05

Price of attendance for full-time, first-time undergraduate students for the FULL ACADEMIC YEAR: (Tuition and fees, books and supplies, room and board, and other expenses are those amounts used by your financial aid office for determining eligibility for student financial assistance) These data are published at the IPEDS COOL (College Opportunities On-Line) Web site. Off-campus (with family) other expenses for 2004-05 OTHER EXPENSES - The amount of money (estimated by the financial aid office) needed by a student to cover expenses such as laundry, transportation, entertainment, and furnishings. (For the purpose of this survey room and board and tuition and fees are not included.) UNDERGRADUATE - A student enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. FULL-TIME Undergraduate - A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term FIRST-TIME FIRST-YEAR STUDENT - A student attending any institution for the first time at the undergraduate level.
